School Improvement Goals for RMS 2013-2015

Prepared from observations and goals expressed in professional development and Site Council meetings to facilitate conversations. The hope is that creation of goals will help guide the RMS Leadership Plan.

Improvement in Writing Outcomes

- The percentage of Roosevelt Middle School students meeting or exceeding the OAKS benchmarks in writing will increase from the 2008-12 average of 73.28% to 85% meeting or exceeding in 2013-2015.
- The percentage of Roosevelt Middle School students scoring 4 (or above) in all sub-categories of the State Writing Work Sample Scoring Guide will rise to 85% during the two-year period of 2013-2015.

Action Plan (to be developed)

Improvement in Science Outcomes

- The percentage of Roosevelt Middle School students meeting or exceeding the OAKS benchmarks in science will increase from the 2008-12 average of 81.11% to 85% meeting or exceeding in 2013-2015.
- The percentage of Roosevelt Middle School scoring 4 (or above) in all sub-categories of the State Scientific Inquiry Work Sample Scoring Guide will rise to 85% during the two-year period of 2013-2015.

Action Plan (to be developed)

Improvement of Disaggregated Results in Math and Reading Assessments

- The percentage of Roosevelt Middle School “low income” students meeting or exceeding the OAKS benchmarks in math will increase from the 2008-12 average of 61.75% to 70% meeting or exceeding in 2013-2015 (the “medium to high income” meets or exceeds percentage is 90.56).
- The percentage of Roosevelt Middle School “low income” students meeting or exceeding the OAKS benchmarks in reading will increase from the 2008-12 average of 73.1% to 80% meeting or exceeding in 2013-2015 (the “medium to high income” meets or exceeds percentage is 93.98).

Action Plan (to be developed)

Improvement of Climate

Note: This is not a SMART goal since there is no baseline data

- Eighty percent of students will strongly agree that HOUSE positively impacts Roosevelt Middle School climate.
- Eighty percent of students will strongly agree that HOUSE positively impacts academic skills at Roosevelt Middle School.

Action Plan (to be developed)
