

# RMS Scheduling 2017-2018

# RMS Registration Process

- Advisors present information about program to students, answer questions about program & classes, & assist in initial completion of preference sheet
- Students take preference sheets home, review them with parents/guardians, & bring them back signed
- NEW: Students enter preferences into Google Form in House
- Advisors keep preference sheets and turn them into Mike
- Students receive new schedules in September

# RMS 7th/8th Grade Program Requirements

- Five year long classes: Language Arts, Math, Science, Social Studies and a year long elective
- One period per day with a trimester rotation sequence of Health, P.E., and an elective class

# RMS 7th/8th Grade Program Requirements

- A year long Math course: students are placed according to their math level.
- Math placements are based on data from assessments and teacher recommendations.

# RMS 7th/8th Grade Program Requirements

- A year long Science course: students are placed according to their grade level.

# RMS 7th/8th Grade Program Requirements

- A year long Language Arts course: students are placed in Language Arts classes based on student preference and class availability.
- Choices include: Earth, Wind, & Fire, Hear Our Voice Journeys & Justice, Language In Action, and Legacy Of Power. Language arts classes are not repeatable.
- French Immersion students receive Language Arts instruction within the French Immersion program.

# RMS 7th/8th Grade Program Requirements

- A year long Social Studies course: students are placed in Social Studies classes based on student preference and class availability.
- Choices include: World History and U.S. History. Social studies classes are not repeatable.
- French Immersion students receive Social Studies instruction within the French Immersion program.
- French Immersion students study World History in French and may choose to take U.S. History as an elective if there is space in the class.

# RMS 7th/8th Grade Program Requirements

- A year long elective course: students are placed in a year long elective course based on student preference and class availability.
- Choices include: Art, Choir, Band\*, Orchestra\*, AVID\* Spanish 1a, and Spanish 1b\*.
- Classes marked with \* require prerequisite experience or teacher recommendation.

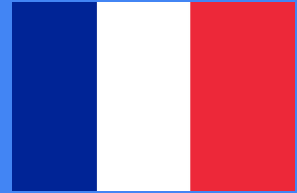

# RMS 7th/8th Grade Program Requirements

- A trimester rotation course sequence: one trimester of Health, one trimester of P.E., and one trimester elective.
- Choices for trimester electives include: Family Recipes, All The World's A Stage (Drama/Theater), Multi-Media, Bits, Bots, & Beats (Robotics & Coding), and Student Government

# RMS 7th/8th Grade Program Requirements

- House: All students are placed in a House Advisory for three years.

# RMS 7th/8th Grade French Immersion Program Requirements

- A year long French Immersion language arts course: Students will be placed by French Immersion teachers.
- A year long French Immersion social studies course: Students will be placed by French Immersion teachers.
- French Immersion students take a science course, a math course, a year long elective course, and a trimester rotation course sequence outside the French Immersion program similar to non-French Immersion Roosevelt students.
