*6th Grade Orientation*

2020

# Roosevelt's Commitment

*The Roosevelt Middle School staff stands together against bigotry, harassment, bullying, and any form of discrimination. We support a learning community where there is cooperation, fairness, and mutual respect. We believe students learning at the highest level is the the rule.....not the exception. The RMS staff believes in a world where everyone... our students... our staff... our parents... and our community celebrate the strength and power of diversity. We stand together as a united school committed to supporting the success of all students. Regardless of where a student worships, where a student comes from, what language a student speaks at home, the color of a student's skin, or who a student loves, every individual adds to the mosaic of our school community. Our differences, not our similarities, are what make us stronger as a whole.*

# Roosevelt's Vision

*As a community of learners, RMS strives to create an innovative, rigorous, culturally relevant learning environment that emphasizes collaboration and a culture of respect.*

# Roosevelt Builds Strong Relationships
